NRM Overnight

Scouts had a great time at our overnight at the National Railroad Museum! They stepped back in time to learn what life was like as a hobo by making hobo stew, building Hoover shacks out of cardboard, and working on the rails, along with plenty of other fun hands-on activities. It was a memorable night full of adventure!

Monthly Core Value:

Kind: being thoughtful and caring toward others. Helping people, using gentle words and actions, including every one, and standing up for others, even when it's not the easiest choice.
