Fall Fundraiser

A huge THANK YOU to all of our Scouts and families for making this year's fall fundraiser a success! Together, Pack 49 reached our goal of \$15,000 in product sales!

A special congratulations goes to AJ Busateri, our top seller, with over \$3,000 in sales! What an incredible accomplishment!

To celebrate reaching our goal, we'll be hosting an ice cream party at our next Pack meeting! We're excited to celebrate this achievement together and enjoy a well-deserved treat.

Thank you again for helping make Pack 49's fall fundraiser a success. Great job, Scouts!

Scout Skill of the Month: Basic First Aid

Scrapes, bumps, and blisters happen when you're exploring the outdoors! Knowing basic first aid helps you stay calm, care for minor injuries, and recognize when someone needs more help.

Here are a few basic first aid skills every Scout should know:

- **Scrapes and cuts:** Rinse the wound with clean running water or an anti bacterial wipe, gently clean around it, and cover it with a clean bandage. If bleeding, apply firm, steady pressure with clean gauze.
- **Bumps and bruises:** Apply a cold pack wrapped in a towel for 15-20 minutes.
- **Blisters:** Keep the area clean, cover it with a blister bandage, and avoid popping the blister.
- **When to get help:** Tell a trusted adult if an injury is serious, won't stop bleeding, looks infected, or you're unsure what to do. Call 911 for life-threatening emergencies.
